

# **Marianne R. Spalinger – Curriculum Vitae**

## **1. Personal Data**

Date of Birth 22 of April 1981  
Current Position Postdoctoral Research Fellow/Junior Group Leader  
Working Address Department for Gastroenterology and Hepatology,  
University Hospital Zurich, Sternwartstrasse 14, 8091 Zurich

## **2. Education**

30.05.2018 **Habilitation/Venia Legendi** at the University of Zurich, Zurich, Switzerland  
9 / 2011– 11 / 2014 **PhD Studies**, University Hospital Zurich, Department of Gastroenterology and Hepatology, Zurich, Switzerland  
10 / 2007 – 10 / 2008 **Master in Cell Biology**, Department for Biomedicine, Basel, Switzerland  
10 / 2003 – 6 / 2006 **Bachelor in Molecular Biology**, Biozentrum, University of Basel, Basel, Switzerland

## **3. Professional Experience**

Since 10/2020 **Postdoctoral Research Fellow**, Division of Gastroenterology, University Hospital Zürich, Switzerland  
10 / 2018 – 09 / 2020 **Postdoctoral Research Fellow**, School of Medicine, University of California Riverside, USA  
12 / 2014 – 09 / 2018 **Postdoctoral Research Fellow**, Division of Gastroenterology, University Hospital Zürich, Switzerland  
10 / 2008 – 8 / 2011 **Research Technician**, Clinic for Dermatology, University Hospital Zurich, Switzerland

## **4. Institutional Responsibilities**

Course Instructor at the Physiological Institute of the University of Zurich

## **5. Approved Research Funding**

**Novartis Foundation**, 2020-2021; **Hartmann Müller Research Grant**, 2020-2021; **Postdoc Mobility Grant from the SNSF**, 2018-2020; **Hartmann Müller Research Grant**, 2018-2019; **Research Stipend from the Holcim Group**, 2015-2017; **ECCO Basic Science Grant (European Crohn's and Colitis Organisation)**, 2016,

## **6. Supervision of Junior Researchers**

**PhD students:** Larissa Hering, 2016-2020; Marlene Schwarzfischer: since 2017; Egle Katkeviciute, since 2017; Philipp Busenhardt, since 2017; Anna Niechcial, since 2018; Janine Häfliger, since 2018; Anna Bircher, since 2020

**Since 2014-2018: Supervision of master and bachelor students**

## **7. Teaching Activities**

Supervision& teaching of **Physiology lab classes for medical students**, 2011-2018 and since fall 2020; Institute for Human Physiology, University of Zürich; Organization/Supervision of **Laboratory courses for undergraduate biology students**, 2006-2007; Institute for Biomedicine, University of Basel

## **8. Scientific Reviewing Activities**

Journal Reviewer: Journal of Crohn's and Colitis – Clinical and experimental Immunology – PLoS One – Journal of European Physiology – Journal of European Immunology; Grant and Abstract Reviewer for the European Crohn's and Colitis Organisation

## **9. Memberships**

Member of the American Gastroenterological Association, the European Crohn's and Colitis Organization, the American Physiology Society, and the Society for Mucosal Immunology

## **10. Organization of Conferences**

Organizing commission of the Ultimate Biomedical Retreat 2019 at the University of California, Riverside

## **11. Professional Awards and Prizes (selection)**

**Basic Science Travel Award**, American Gastroenterology Association, 2019; Award for the **best poster**, International Congress for Mucosal Immunology, 2019; **DACED Zukunftspreis**, 2014; **Travel Grant**, Hartmann-Muller-Stiftung, 2014-2017
