

## Personal Data

Name **Luise Linzmeier**  
E-Mail Luise.linzmeier@usz.ch

## Education

Since 08/2022 **PhD Student - Department of Gastroenterology and Hepatology USZ - University of Zürich** (Switzerland)  
BioMed PhD program  
Focus on IBD, immunology, bacterial infection of mucosal organs

10/2018 - 05/2021 **Master of Science in technical biology - University of Stuttgart** (Germany)  
Specialisation in Pharmaceutical and Industrial Biotechnology

09/2019 - 02/2020 **Semester abroad in Gothenburg** (Sweden) - **Chalmers University of Technology**

10/2015 - 11/2018 **Bachelor of Science in technical biology - University of Stuttgart** (Germany)

## Work experience

01/2022 - 07/2022 **Research associate - Department of Gastroenterology and Hepatology USZ - University of Zürich** (Switzerland)

06/2021 - 12/2021 **Research associate - Research group: Molecular and immunological mechanisms of hepatobiliary diseases - University hospital Erlangen-Friedrich-Alexander-University Erlangen** (Germany)

05/2020 - 05/2021 **Master thesis at the Institute for Cell Biology and Immunology - University of Stuttgart** (Germany)

03/2020 - 04/2020 **Employment at the molecular pathology - state hospital Feldkirch** (Austria)

04/2018 - 11/2018 **Bachelor thesis at the Institute of Biomaterials and Biomolecular Systems - University of Stuttgart** (Germany)

10/2017 - 02/2018 **Teaching assistant (bachelor laboratory course) - University of Stuttgart** (Germany)

09/2017 **Internship at the *Institut de Chimie* - University of Clermont-Ferrand** (France)

08/2017 **Internship at the molecular pathology - state hospital Feldkirch** (Austria)

## Other experience

2017 - 2021 **Elected member of the various university councils - University of Stuttgart**

09/2016 - 03/2017 **First-semester tutor**

## Language skills

German (mother tongue), English (fluent), French (intermediate), Swedish (intermediate)

## Further qualifications

LTK1 course, GCP 1 and 2 course
